**ACCOMMODATIONS AND MEALS:** Housing for a maximum of 60 participants is available in the dormitories and cabins on campus. Showers and restrooms are shared dormitory style; soap is not provided. Bedding, towels, and washcloths are provided. There are no restrooms in the sleeping rooms. The restrooms are located in each dorm building and there is a shower house/restroom building near the cabins.

Activities will begin at 17:00 on Friday, 29 September, with registration, followed by dinner, business meeting, and snacks and beverages. A hot breakfast will be provided on Saturday and Sunday as well as a hot lunch on Saturday. The Society’s annual banquet will be held Saturday evening. Check-out time on Sunday is 10:00, unless other arrangements are made with the housing coordinator.
